Site Supervisor CCS-R Final Evaluation

General overview

The Counselor Competencies Scale-Revised (CCS-R) assesses counselors' and trainees' skill developments and professional competen CCS-R provides counselors and trainees with direct feedback regarding their demonstrated ability to apply counseling skills and facili conditions, and their counseling dispositions (dominant qualities) and behaviors, offering the counselors and trainees practical areas is support their development as effective and ethical professional counselors.

CACREP (2016) Common Core Standards:

- Strategies for personal and professional self-evaluation and implications for practice (Section II, Standard 1.k.).
- Self-care strategies appropriate to the counselor role (Section II, Standard 1.l.).
- Multicultural counseling competencies (Section II, Standard 2.c.)
- A general framework for understanding differing abilities and strategies for differentiated interventions (CACREP, 2016, Section I
- Ethical and culturally relevant strategies for establishing and maintaining in-person and technology-assisted relationships (Sectic
- Counselor characteristics and behaviors that influence the counseling processes (Section II, Standard 5.f.).
- Essential interviewing, counseling, and case conceptualization skills (Section II, Standard 5.g.).
- Developmentally relevant counseling treatment or intervention plans (Section II, Standard 5.h.).
- Processes for aiding students in developing a personal model of counseling (Section II, Standard 5.n.).
- The counselor education program faculty has a systematic process in place for the use of individual student assessment data in r retention, remediation, and dismissal. (Section 4, Standard H.).
- Professional practice, which includes practicum and internship, provides for the application of theory and the development of co under supervision. These experiences will provide opportunities for students to counsel clients who represent the ethnic and der their community (Section III, Professional Practice).
- Entry-Level Professional Practice and Practicum (Section III, Professional Practice, p. 13).
 - a. Students are covered by individual professional counseling liability insurance policies while enrolled in practicum and intern
 - b. Supervision of practicum students includes program-appropriate audio/video recordings and/or live supervision of student clients.
 - c. Formative and summative evaluations of the students counseling performance and ability to integrate and apply knowledge of the students practicum.
 - d. Students must complete supervised counseling practicum experiences that total a minimum of 100 clock hours over a full a minimum of 10 weeks.
 - e. Practicum students must complete at least 40 clock hours of direct service with actual clients that contributes to the developer skills.
 - f. Practicum students have weekly interaction with supervisors that averages one hour per week of individual and/or triadic supervisor by (1) a counselor education program faculty member, (2) a student supervisor who is under the supervision program faculty member, or (3) a site supervisor who is working in consultation on a regular schedule with a counselor edu member in accordance with the supervision agreement
 - g. Practicum students participate in an average of 1 1/2 hours per week of group supervision on a regular schedule throughour Group supervision must be provided by a counselor education program faculty member or a student supervisor who is und counselor education program faculty member.

CACREP (2016) Specialty Standards:

- Clinical Mental Health Counseling
 - Techniques and interventions for prevention and treatment of a broad range of mental health issues (3. Practice, *Standard*
- Marriage, Couple, and Family Counseling
 - o Techniques and interventions of marriage, couple, and family counseling (3. Practice, *Standard* c.).
- School Counseling
 - Techniques of personal/social counseling in school settings (3. Practice, *Standard* f.).

How to apply scoring

Scales Evaluation Guidelines

- Exceeds Expectations / Demonstrates Competencies (5) = the counselor or trainee demonstrates strong (i.e., *exceeding* the a beginning professional counselor) knowledge, skills, and dispositions in the specified counseling skill(s), ability to facilitate ther professional disposition(s) and behavior(s).
- Meets Expectations / Demonstrates Competencies (4) = the counselor or trainee demonstrates consistent and proficient known and dispositions in the specified counseling skill(s), ability to facilitate therapeutic conditions, and professional disposition(s) and beginning professional counselor should be at the 'Demonstrates Competencies' level at the conclusion of his or her practicum ?
- Near Expectations / Developing towards Competencies (3) = the counselor or trainee demonstrates inconsistent and limite dispositions in the specified counseling skill(s), ability to facilitate therapeutic conditions, and professional disposition(s) and beh
- Below Expectations / Insufficient / Unacceptable (2) = the counselor or trainee demonstrates limited or no evidence of the dispositions in the specified counseling skill(s), ability to facilitate therapeutic conditions, and professional disposition(s) and beh
- Harmful (1) = the counselor or trainee demonstrates harmful use of knowledge, skills, and dispositions in the specified counseli to facilitate therapeutic conditions, and professional disposition(s) and behavior(s).
